- Life Jackets (PFD)

**Please bring the following:**

- **RAFTING**

**FOOTWEAR** Bring shoes that stay securely on your feet and that you don't mind getting wet. Sport sandals (that strap on), tennis shoes or water shoes all work very well.

**FLIP FLOPS ARE NOT RECOMMENDED.**

Timberline Tours sells affordable/inexpensive water shoes in our retail store in Eagle and at the Granite boathouse.

**SWIMSUIT** to wear under wetsuit or to wear with personal nylon short or pant

**SUNGLASSES** and strap to secure glasses (also sold in retail store)

**SUNSCREEN**

**EXTRA LAYERS** such as lightweight fleece or polypropylene (synthetic layer) or quick-dry clothing. Most of the summer it is too hot to wear a wetsuit, on our Class III stretches, so please bring swimsuits and quick drying shorts (nylon) for river. Please be advised that wetsuits are mandatory on our Class IV/V stretches, but extra clothing is still advisable. We highly recommend not wearing COTTON on the river as it stays wet and will make you cold.

- **JEEP TOURS**

**LAYER** your clothing this way you are comfortable in varying temperatures. Darker clothes are preferred.

**ACCESSORIES:** sunscreen, sunglass straps, sneakers or decent footwear, HAT.

**CAMERA:** you don't want to miss out on capturing the beautiful scenery.
